

Automotive Electrician

Automotive Electrician

ANZSCO Code: 321111

Occupation Description:

Automotive Electricians install, maintain and repair electrical wiring and electronic components in motor vehicles.

Their job involves:

- › using test equipment to locate electrical and electronic malfunctions
- › dismantling and removing electrical and electronic assemblies and components
- › installing electrical equipment and electronic components in motor vehicles
- › connecting power-operated vehicle equipment and accessories to power supply
- › adjusting engine control systems and timing
- › testing and replacing defective alternators, generators, voltage regulators and starter motors
- › repairing and replacing faulty ignition and electrical wiring
- › replacing defective parts such as fuses, lamps and switches.

How will I be assessed?

Stage 1: Documentary Evidence Assessment

1

We will review your documentary evidence to ensure it meets the employment and training requirements and indicates that you have the necessary skills, knowledge and experience as an Automotive Electrician.

You can find more information about the employment and training requirements, and the documents required in the Pathway 1, Pathway 2 and Evidence guides on our website.

> vetassess.com.au

Stage 2: Technical Assessment

2

If you are successful in Stage 1, you will complete a technical interview with our assessor. The technical interview will be conducted in English with no interpreters allowed.

For more information about the technical interview, see the Stage 2 Assessment Guide on our website.

What skills and knowledge do I need?

The qualification relevant to this occupation is the **AUR30320 Certificate III in Automotive Electrical Technology**.

To be awarded this qualification, you must demonstrate your skills and knowledge in the units of competency listed in the table below. Each unit of competency defines a selection of knowledge and skills required in Australian workplaces.

You must achieve 32 units of competency:

- > 21 core units

- > 11 elective units.

Core units

Code	Title
AURAEA002	Follow environmental and sustainability best practice in an automotive workplace
AURASA102	Follow safe working practices in an automotive workplace
AURETR112	Test and repair basic electrical circuits
AURETR125	Test, charge and replace batteries and jump-start vehicles
AURETR129	Diagnose and repair charging systems
AURETR130	Diagnose and repair starting systems
AURETR131	Diagnose and repair ignition systems
AURTTA118	Develop and carry out diagnostic test strategies
AURTTE104	Inspect and service engines
AURETR124	Diagnose and repair compression ignition engine management systems
AURETR123	Diagnose and repair spark ignition engine management systems
AURETR143	Diagnose and repair electronic body management systems
AURETK002	Use and maintain electrical test equipment in an automotive workplace
AURETR006	Solder electrical wiring and circuits
AURETR007	Apply knowledge of automotive electrical circuits and wiring systems
AURETR009	Install vehicle lighting and wiring systems
AURETR010	Repair wiring harnesses and looms
AURETR027	Install ancillary electronic systems and components
AURETR128	Diagnose and repair instruments and warning systems
AURETR132	Diagnose and repair automotive electrical systems
AURETR135	Apply knowledge of petrol and diesel engine operation

Elective units

Code	Title
AURAF002	Read and respond to automotive workplace information
AURAF103	Communicate effectively in an automotive workplace
AURAMA001	Work effectively with others in an automotive workplace
AURETR014	Inspect, test and service starting systems
AURTTA104	Carry out servicing operations
AURTTW001	Carry out soft soldering techniques
AURETR013	Inspect, test and service charging systems
AURTTK102	Use and maintain tools and equipment in an automotive workplace
AURETR011	Install basic ancillary electrical systems and components
AURETR122	Diagnose and repair vehicle dynamic control systems
AURETR144	Diagnose and repair integrated engine and transmission management systems

You must demonstrate competency in all core and elective units of competency.

How do I find out more about each unit of competency?

You are strongly encouraged to review each of the units of competency shown above.

To do this:

- › Go to the following website:
<https://training.gov.au/search>
- › Enter a unit code (AURASA102) into the 'Keyword search' search box
- › Click on 'NRT' button
- › Select the 'Search' button
- › Read the Unit of Competency information.

What will I receive after the assessment?

If you successfully complete Stage 2 you will receive:

- › A Skills Assessment Result Letter to support your visa application.

And if applying under Pathway 1:

- › An Australian Certificate III qualification and a Statement of Results.

If you are **unsuccessful** in Stage 2 you will receive:

- › A Skills Assessment Result Letter.

And if applying under Pathway 1:

- › A Statement of Attainment that lists the units of competency you have successfully achieved
 - › A Statement of Results that lists the units of competency you have successfully achieved and those that were not achieved.
-
